It's all systems go for the 2017/18 Grand Prix season launch in Liverpool – and the draw has now been published.

The city has become the traditional venue for the opening event of the season, and this year is no different as the Lifestyles Tennis Centre is the venue on August 19 and 20.

Both of last year's overall champions, Chris Doran and Karina Le Fevre, are in the field. Doran is also defending the Liverpool title he won last season, but neither of the two women's singles finalists from last year – Iulia Necula and Kelly Sibley – are competing this time.

As ever, Saturday's play features the Banded events, with the men's and women's singles, under-21 and veterans' events and the doubles on the Sunday.
