Open Table Tennis Championship & Fund Raiser for

It was with great pleasure that Stockport Table Tennis Academy once again held a pre- season tournament and fund raiser on Sunday 17th September, assisted by official sponsors GEWO table tennis.

Not only did everyone have the opportunity to compete for trophies and prizes, but money was raised for the We Love Manchester Charity. Every entry included a limited #lovewins Bee T Shirt.

The suicide bombing on the 22nd May 2017 at the Manchester Arena shocked all of the local community, including the local Manchester and Cheshire table tennis community. The tournament on the 17th September was a way of helping to raise funds for the victims and those affected by the terrorist attack.

Table Tennis can be played by everyone!
