Coaches and club officials in Berkshire are being invited to a workshop designed to help get youngsters into the sport and give them a great experience.

The Club Experience for Young People Workshop has been organised by Get Berkshire Active.

It will focus on young people aged 11-25 and cover topics including: Why delivering a great experience for young people is important; how to listen to and respond to the needs of young people in your club; and how to translate that into ensuring your club can recruit and retain young players.

The workshop is at St Martin's Place in Slough from 6.30-8pm on Tuesday October 24. [Click here](#) to book your place.
