Entries are now open for the annual Easter extravaganza of table tennis – the Jersey Grand Prix.

The popular satellite event, unlike the other stops on the Grand Prix circuit, features three-days of competition.

Good Friday sees the two-man team events with the Grand Prix itself on the Saturday and Sunday as previously. Many International and club players from the UK and Europe have graced the courts at the superb purpose built Geoff Reed Centre over the years and Table Tennis Jersey looks forward to welcoming new and old friends. All visiting players are hosted to a complimentary welcome Vin d'Honneur of drinks and nibbles on the Friday after the team matches.
