

Discount on defibrillators for your club

Author: Paul Stimpson

Posted On: February 06, 2018

Table Tennis England have teamed up with Martek Lifecare to provide every club the chance to purchase a life-saving defibrillator at a discounted rate.

Sudden cardiac arrest affects six million people worldwide every year and kills more than 140,000 adults in the UK annually, including 15 young people every week.

If a defibrillator is used, along with the use of effective CPR within 3-5 minutes of a cardiac arrest, survival chances increase dramatically from 6% to 74%.

Martek Lifecare provide the Defibtech Lifeline defibrillators which studies have shown to be the easiest to use. Studies showed the Defibtech Lifeline AED allowed users to achieve 92% pad placement accuracy due to the step-by-step voice prompts as well as pictorial guide.

The recommended retail price is £899 but our offer is as follows:

Affiliated clubs: £739

Premier Clubs: £699

The offer includes:

Lifeline AED (semi-automatic) or AUTO (fully-automatic)

Pre connected adult pads

Standard battery pack

Rescue ready kit

Soft carry case

Wall bracket

To take advantage of this special offer, please contact Moya Murphy at Martek Lifecare on 07960 384488 or at moya.murphy@martek-lifecare.com quoting the reference 'Table Tennis England'.
