2-a-side league

team competition for 12 players

how to play:

Form 6 teams of 2 players and write **team names** in space provided. Each team then plays 5 matches over a number of consecutive weeks or agreed dates, governed by the **match chart to run a league** (left). When competing, use the **2-a-side team match card F** and record the **final score** in the **match score card** (bottom left). Use these results to update the **league table** (below).
