

It is now over one year since the English Schools' Table Tennis Association joined forces with Butterfly with the aim of strengthening its commitment to the development

of schools' table tennis in England. In conjunction with the English Table Tennis Association and Sportsmatch, two packages have been produced specifically aimed at schools and young people who are learning to enjoy, play and develop participation skills in table tennis.

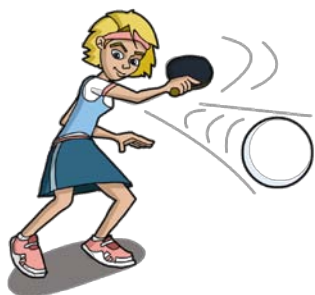

The Butterfly 'More Schools' Project was launched in January 2008. Over 1000 packs have now been distributed and prompted positive response from Competition Managers, School Sport Co-ordinators, Partnership Development Managers and Teachers.

- "This is just what my staff have been asking for - fantastic!"
- "Great pack - loads of useful resources for Primaries and Secondaries"
- "Very positive - I like the ideas for 'alternative' table tennis tables"
- "Excellent ideas on maximising space and equipment"
- "Very clear with great ideas for schools without table tennis tables"
- "Excellent resource cards - easy to use - very structured"
- "A good starting point. Good templates for competition which together with the Butterfly Skills Programme provides testing but achievable goals"

THE BUTTERFLY 'MORE SCHOOLS' PROJECT TOOLKIT is 'FREE' for schools to download from the ESTTA Website: [.etta.org.uk/development](http://.etta.org.uk/development)

#### The Butterfly Skills Table Tennis Programme

Developed by the ETТА in conjunction with ESTTA the programme provides an exciting and progressive framework to deliver table tennis in schools, clubs and sports centres. With four skill levels to work towards, this truly is the 'must have' toolkit for all table tennis teachers and coaches. Further information and an order form can be found on the ETТА website [.etta.co.uk](http://.etta.co.uk) and click on Butterfly Skills Table Tennis Programme.

These two great packages contain plenty of encouragement and challenge for young people of all abilities, ample structure, ideas for the development of skills and for getting started in competitions.
