

## NATIONAL CADET LEAGUE 2015/16

Welcome to the National Cadet League's 14th season which I hope will interest your support whether you are a club, league or "group". Last season 235 teams played at 16 centres on 4 days. This league is designed for the younger player in her/his developing years, with many of the centres having two or more divisions, especially on days 3 and 4 for venues with 8 teams and more. Any player who either is registered or plays in the Junior British League in the current season will not be eligible to play in the 2015-16 NCL.

Any player entering "Cadet" events in 2015/16 must have been born in 2001 or later. Leagues and/or Clubs may apply to enter teams of three players (although it is advisable to register more) to play in venues closest to their location and the preferred option is graded divisions for boys and girls. Mixed teams are acceptable to all organisers but the players will miss out on ranking points when playing the opposite sex if either player has 600 or more ratings points. If both players have less than 600 points then matches between players of the opposite sex will be for rating points. The weighting for ranking is 1.0.

The schedule of play guarantees a full day's participation and was originally based on a six-team division playing on one or two tables with each team playing every other on each of the four days. Each team match would then consist of six singles sets, each the best of five games, with both teams listed in strict ranking order and A v Y, B v X, C v Z, A v X, C v Y, B v Z being the sets played. This may be altered to nine singles and is now the preferred option when possible, but this is dependent on the number of teams entered. Each day's play MUST provide a minimum of NINE individual matches per player in a three player team, unless the local organiser has the permission of the national organiser to offer less than nine on any one day. Any player who wins three matches in one day in this competition, even against unranked players, is guaranteed to appear in the next Table Tennis England Ranking List after the results have been submitted.

Medals to a total of four per team will be available to local organisers to the equivalent of two sets per six teams entered. The dates scheduled for this season's competition are: Sundays 15 November, 6 December, 7 February & 6 March 2016. With the permission of The Calendar Working Party, however, the following venues have variations from the scheduled dates:

- BYNG HALL** – day 2 will be 29 November
- CIPPENHAM** – day 2 will be 13 December
- CIRENCESTER** – day 2 will be 29 November
- HORSHAM** – days 1 & 3 will be 8 November & 24 January
- PLYMOUTH** – day 3 will be 24 January
- WOOD GREEN** – days 3 & 4 will be 6 March & 17 April

Please also note ALL the various venues at which competition will take place and choose accordingly. It is advisable to nominate a second choice in case your first choice cannot function. We would welcome new venues if enough support is available. Each day at each venue will be managed by an organiser appointed by the NCL Committee, which is empowered to determine the conduct of the competition, resolve any disputes arising and implement any measures as it deems reasonable.

Should you be interested in entering a team(s) please complete the entry form and sent it together with the all inclusive fee of £77.50 per team to Mike Atkinson, 35 Poles Hill, Chesham, Bucks. HP5 2QR (phone 01494 785609) by September 23, 2015 for all venues, even if you are not

sure of the final composition of your team(s). As from September 24, I have to rationalise which centres have enough definite (ie "paid-for") teams to operate and which centres are uneconomic and thus will not run. If a ranking list can also be completed by September 24, 2015 please send this at the same time. If not, please complete and forward this to me by October 2, 2015.

To play in the NCL in 2015/16, youngsters will just need to be Player Members (£5 per person per annum) and membership can be obtained online at [tabletennis365.com/tabletennisengland/membership](http://tabletennis365.com/tabletennisengland/membership) (AFTER JULY 13, 2015) or from the Table Tennis England Head Office – Telephone: 01908 208898 (AFTER AUGUST 3, 2015). Even though a player licence is no longer necessary to play in NCL if you are intending playing in more than two x 2 star (or higher) tournaments during the season then the best option is to upgrade to, or buy, a player licence.

Best wishes to you all – Thank you for your support.

#### **LAWS, REGULATIONS, PLAYING CONDITIONS AND DRESS**

- The Laws of Table Tennis as approved by Table Tennis England will apply.
- The playing area and lighting shall not be less than required for a 2\* open tournament.
- Team clothing shall be of a recognisable table tennis type and of a colour other than white. Playing footwear shall be of a type that will not mark or damage the floor. ITTF clothing regulation 3.2.2.9 (clothing) will not apply.
- Notwithstanding the above the Organiser on the day in conjunction with team captains has the authority to change and accept differing conditions and standards.
- Regulation R will be fully enforced at all times during the competition.
- Racket testing may be conducted.
- If a team has only 2 players present on any day, they must play in ranking order at Nos 1 & 2.
- Time-outs are not permitted in the NCL.

#### **REGISTRATION AND TRANSFER**

- A team may only be represented by players who are registered on the ranking list held by the local organiser (needs to be revised each time a new player is introduced).
- Players playing up to a higher team twice will become registered for that team in which they have played their second match as a norm. No player can play against the same opposition team twice on the same day.
- After the second scheduled day of matches, only players equal or less equal to those already registered will be admissible as new or replacement signings.

#### **LEAGUE POSITIONS**

- A point will be awarded for each individual match won within the team match.
- Positions in the division will be determined by the number of points won.
- If two or more teams are equal on points, then their relative positions shall be determined only by the results of the matches between them, by considering successively:
  - 1) the number of points (individual matches) won
  - 2) the ratio of wins to losses in games
  - 3) the ratio of wins to losses in pointsas far as is necessary to resolve the order.
