How has the Jack Petchey Outdoor Table Donation benefited your school?

Great benefit, the students use them in lessons at lunch before and after school.

Why did you choose table tennis?

It is expanding in our school we have 10 indoor tables and 5 outdoor tables and the students wanted more.

How have the tables been used e.g. do the students just start playing, or does a teacher need to instruct them etc.?

Pupils started playing and some classes have been taught in lessons.

What is the BEST thing about the tables?

Teachers don't have to be there to use them students organise themselves at every opportunity.

Do you the students/teachers play table tennis outside of school, has this made them want to play more?

Students now play against other schools which didn't happen before.
