

Name of Case Study: Outdoor Table Tennis Tables

School: Tiffin School

Activity: Table Tennis

Date: 30 April 2013

Gerwyn Wilson, PE Staff

Why did you choose table tennis?

We have limited space in the playground so table tennis fits in well.

How have the outdoor tables benefited your school?

Pupils are using the tables during break and lunch times even though table tennis club only runs once a week.

Who is attracted to the tables (e.g. gender, age etc.)?

Boys, mainly in years 10 and below

How have the tables been used e.g. do the students just start playing, or does a teacher need to instruct them etc.?

The boys tend to start playing themselves, although they do have to find a member of staff to borrow the equipment.

What is the BEST thing about the tables?

Giving pupil access to a facility they wouldn't normally get.

Do the students/teachers play table tennis outside of school, has this made them want to play more?

Not sure!
