Referee's Rules in case of a tie.

2 match points for a win; 1 match point for a completed match defeat.

Positions decided by match points won; if 2 players are level then the result is determined by the match against each other.

If 3 or more players are level, then the outcome is decided only on match results between the players concerned.

Firstly matches won; if level then games ratio ; if still level then points ratio.

Referee's Rules in case of a tie.

2 match points for a win; 1 match point for a completed match defeat.

Positions decided by match points won; if 2 players are level then the result is determined by the match against each other.

If 3 or more players are level, then the outcome is decided only on match results between the players concerned.

Firstly matches won; if level then games ratio ; if still level then points ratio.

Game	Pool	Player Name	Ump	Game 1	Game 2	Game 3	Winner
