Entry procedures

Athletes will be required to submit their entry to Table Tennis England no later than twenty working days before the preliminary entry closing date for the event specified in the event prospectus or information. Table Tennis England will confirm athlete selection within three working days of Table Tennis England deadline for receipt of athlete nominations. Athletes will then be required to complete all payments and final paper work, including travel details and hospitality selection to Table Tennis England no later than ten working days before the preliminary entry deadline.

Table Tennis England will complete all entry requirements as required by the event subject to athletes completing this process and being selected. Athletes who have not completed the payment process before the deadline will not be entered into the event. Individual athletes are liable for all their own costs unless otherwise agreed with Table Tennis England.

England receives 6 (in both male and female singles) entries per ITTF World Tour event and may enter additional athletes on to the waiting list. If the maximum number of entries is received, England will only receive the 6 places in each singles event, if however the event has capacity additional entries over the 6 fixed places will be received. Athletes will be placed on the waiting list in and accepted in to the event in order of ITTF current World Ranking, alternating one female and one male player until the maximum number of entries have been reached.

Event entries are limited by the number of tables as per ITTF regulations (http://www.ittf.com/protour/2014/PDF/SSI_WT2014_FINAL.pdf). The event organisers will then complete their entry process and invoice Table Tennis England accordingly. Table Tennis England will then make payment on behalf of the athletes entering each event who have been confirmed by the event organisers. Athletes who have not been accepted will have their payment refunded by Table Tennis England.

In the event that an athlete withdraws from the event then Table Tennis England will complete the process on behalf of the athlete and return any monies that are refunded, noting that there are charges and fees depending on the timing of the withdrawal notice (http://www.ittf.com/protour/2014/PDF/SSI_WT2014_FINAL.pdf). Table Tennis England will complete the withdrawal within one working day of notification from the athlete but it is not liable in the event of any delay in withdrawal resulting in increased charges or other penalties.

Criteria

As stated above, the selection panel may select any number of athletes or teams to each event, with 6 singles entries per gender fixed and additional spaces subject to the event capacity and an athletes' current ITTF World Ranking.

Selection can be achieved either automatically or at the discretion of the Selection Panel, as follows:

Automatic Selection

Athletes will gain automatic selection, subject to compliance with the rest of this policy, if they meet one or more of the following criteria;

Discretionary Selection

In the event that there are still places available after Automatic Selections have been accommodated, or in the event that there are more automatic selections than places available, it will be for the selection panel to determine who shall be selected for each event.

That selection process is discretionary and the selection panel, as experts, are required to use their judgement to select the best team(s) possible. Their reasoning must be rationale, reasonable, free of bias and generally in accordance with the principles of natural justice.

The selection panel will consider all relevant criteria including the following:

- Performances in the following events:
 - 2014/15 ITTF World Team Table Tennis Championships
 - 2014/15 ITTF World Tour Events (Senior/ U21/Junior & Cadet)
 - 2014 Glasgow Commonwealth Games
 - 2013 & 14 European Championships (Individual or Team)
 - 2014 National Championships (in category event entry is sought)
 - Other 2013/14 ITTF Sanctioned events when representing England (for applicable age category)

- For athletes who have not yet competed in an ITTF sanctioned event within the twelve months to the event entry deadline, the selection panel may, at its sole discretion consider athlete performances in additional domestic events, including but not limited to:
 - Table Tennis England Grand Prix
 - 4* events
 - Table Tennis England Masters events (for applicable age category)
- ITTF World Ranking (in category event entry is sought) within the qualification period, any movement in that ranking and the reasons for it.
- For athletes who do not have an ITTF World Ranking (in category in which event entry is sought) within the twelve months to the event entry deadline, the selection panel may, at its sole discretion consider an athletes' Table Tennis England Ranking
- Each athlete's best two matches in the events listed above
- Commitment to improve and compete at the highest possible level
- Fulfilment of the commitment to training and competition as laid down by Table Tennis England Performance Staff
- Potential to perform at a high level in future events for England or GB teams
- Proven ability to behave in a positive manner and function well as part of a team

For the avoidance of doubt the selection panel is not required to select any players at all if it does not consider that sufficient athletes of a suitable quality are available who are capable of performing at a credible level [in the entered event](#). Likewise, and save in respect of automatic selections, it will be at the selection panel's discretion whether, it selects any athletes.

Event type

This selection policy will select singles entries first (for relevant category in which entry is sought). If the event has additional competitions in doubles or mixed doubles, athletes may select a partner with which to enter this event, provided one of the following have been met by the athlete the selected player is seeking to partner with:

- The athlete being proposed has also met the Table Tennis England entry requirements and been selected for the singles competition at the same event; or
- The athlete has been entered by another nation; Table Tennis England accepts no responsibility for the entry process or fee payment of an athlete from another country.
- Doubles or mixed double entries and payment must be received by Table Tennis England no later than five working days before the doubles or mixed doubles entry deadline specified on the event prospectus.

Table Tennis England reserve the right to select partners for athletes that are already selected and entered for the singles event and refuse entry to the doubles or mixed doubles if it believes that the partner an athlete has selected has not fulfilled either of the above requirements or will not perform in a manner consistent with the objectives of this policy.

In the event that there are more demand for doubles or mixed doubles entries, Table Tennis England will consider each entry inline with the discretionary criteria detailed above including relevant doubles or mixed doubles performances in the qualification period. Table Tennis England will select up to the ITTF limit of 3 pairs (in each gender) or other limit specified in the event prospectus.

Table Tennis England accepts no responsibility for any lose of fees or entry status should a doubles or mixed doubles partner withdraw from an event either before or after any relevant deadlines. Table Tennis England will endeavour to refund to the athlete any fees returned by the event organiser and will process any athlete withdrawals inline with the entry procedures detailed above.

Official Event Support

Unless otherwise notified Table Tennis England will not send or fund any official or unofficial support for athletes to attend an event that they are selected and entered for. Should an athlete wish to bring and pay for an official support staff member(s) they must request this on their initial entry form and if selected complete all payments necessary for their nominated official staff member(s). Table Tennis England will consider each request and decide whether it is appropriate for the individual to be nominated as an official supporter of the athlete(s) attending the event. In doing so Table Tennis England will have cause to consider if:

- Table Tennis England are sending a Table Tennis England Official or Delegate
- The level and status of the event
- The performance standard of the athlete(s)
- The number of other athletes from England attending the event
- The age of the athlete(s) attending the event
- there allowing an athlete(s) official support staff member may give cause to a child protection issue with that athlete or any other England athlete attending the event
- The experience, qualifications and suitability at the sole discretion of Table Tennis England of the nominated person(s)
- Other information as Table Tennis England may deem relevant

In the event that Table Tennis England decline to select the athletes' nominated official staff member the athlete accepts that they have no right of appeal no matter whether the decision may impact on their ability to attend or perform at the event in question. In doing so, Table Tennis England accept that they have no jurisdiction to prevent the person(s) travelling to or attending the event, merely that Table Tennis England may chose not to nominate them as an official accredited member or convey any other status on them.

Should Table Tennis England decide to send a Table Tennis England staff member, they will be officially accredited to the event they are attending. This staff member will have specific responsibilities that may or may not preclude them from supporting individual athletes at each event and that Table Tennis England will confirm their role to all attending the event as soon as practical.

Timing

Preliminary entry forms are posted on the ITTF website at least two months before the event. The event prospectus with detailed event entry timings is usually released on the ITTF website at the same time. Table Tennis England will endeavour to send the prospectus to the athletes when it arrives from the ITTF or event organiser, however athletes are responsible for getting this information themselves.

Athletes must submit the Table Tennis England event entry form (found here [WEBSITE](#)) to Table Tennis England (performance@tabletennisengland.co.uk) no later than 20 working days before the preliminary entry deadline specified on the event prospectus.

Table Tennis England will complete selections to each event no later than 3 working days after the Table Tennis England closing date for entries.

In the event that the prospectus is delayed resulting in its publication being inside 20 working days before the preliminary entry deadline, Table Tennis England will endeavour to complete selections in a timely manner to allow athletes to enter the event, subject to them completing the relevant forms and payment and being selected for the event, but accepts no responsibility for the late publication or delays in entry processing and selection resulting in an athletes' entry not being accepted by the event organisers or the ITTF.

Medical

At the time of their selection, any selected athlete may have their medical and/or musculoskeletal status confirmed by a nominated Table Tennis England Medical adviser. Any selected athlete may, at any other time, be required by the Head of Coaching & Performance (and/or his delegate) to undergo fitness or medical assessments to ensure that they have maintained an adequate level of fitness to perform to the best of their ability. The Head of Coaching & Performance (and/or his delegate) will specify the process by which a selected athlete is to confirm his or her continued health and fitness, which might include participating in certain events or undergoing fitness tests;

Media & Communication

All selected athletes are required to adhere to the Social Media guidance which can be found on the Table Tennis England website at the following address: <http://tabletennisengland.co.uk/wp-content/uploads/2013/01/ETTA-Social-Media-Guidelines-2012.pdf>

All athletes, whether selected or not are required to keep the notification of their selection or non-selection confidential until such time as directed by the Table Tennis England.

The selection review process is intended to be quick, fair and as objective as possible.
- If a athlete wishes to request a selection decision be reviewed, he or she must notify the Chief Executive of Table Tennis England that they wish to appeal as soon as possible, and in any event no later than by 4pm on the working day after they have been notified of their non-selection. Such a notification must be given in writing (e-mail is acceptable) to appeals@tabletennisengland.co.uk and be accompanied by a fee of £150.
- The appeal will be reviewed under Table Tennis England's Selection Review Policy found here (WEBSITE).
