Great to see a record entry of 41 teams for this seasons Leicester Development League with 93 players actually taking part in the first session.

League positions are determined first by Points - 4 for a win and 2 for a draw. Where teams are level on points positions are decided by individual matches won. Where this is level positions are determined by the result of the match between the 2 teams and if still level by ends won in that match.

Ends were needed to decide the top place in Division 2B where KP4 Giraffes pipped Harborough C courtesy of winning 8 ends to 7 in their head to head match.
