# 100 YEARS OF TABLE TENNIS!

## BRISTOL AND DISTRICT TABLE TENNIS ASSOCIATION

On behalf of the members of the Bristol and District Table Tennis Association I would like to thank all the competitors for helping us to celebrate 100 years of table tennis in the area and to give you a brief snapshot of the past.

In 1903 it is on record that there was a table tennis league in existence but it was not until after the end of the first world war in 1919 that the Association was formed with a President, Chairman, Secretary, etc. and a proper constitution was drawn up. This basic constitution has remained almost unaltered for the 100 years of our existence.

We can claim to be one of the oldest – if not the oldest Associations in England and from one small division of 12 teams we came to be one of the biggest leagues in the country. With 18 divisions and 252 teams in 1968/9 when we provided table tennis for over 1000 players.

In 1927 Bristol became one of the founder members of the English Table Tennis Association and has since provided many able administrators. The most notable being Ivor Eyles as Chairman and Mike Lewis as a Vice Chairman.

The 1930's saw Bristol producing several international players such as Jimmie Thompson, Gilbert Belsten and Charlie Dawes, but then the war intervened and the Association's activities were suspended with just a wartime division of three sections. Then in 1943, with an advertisement placed in the local press, a start was made to get going again and re-form the league. Since the second world war Bristol has produced two internationals at senior level – Margaret Fry and Aubrey Simons. At the height of his career Aubrey was ranked fourth in the world at the same time as Johnny Leach was ranked world No.1. Aubrey was also part of the winning Swaythling Cup Team with Johnny Leach and Richard Bergman.

Over the years Bristol has staged several international matches and tournaments – the two most memorable matches being in 1950 – England v France and a few years later – England v Russia.

In the mid 1970s parliament revised the county boundaries and Avon was created. At the time Bristol was affiliated to Gloucestershire, with Bath and Weston affiliated to N.E. Somerset. However following the change of boundaries the three organisations founded Avon County Table Tennis Association which came into being on July 26<sup>th</sup> 1975. Since that time the county organisation has provided an opportunity for its players to play at County Championships level and currently fields both Senior, Veterans and Junior teams.

The Bristol Executive Committee has always been pro-active in promoting the sport and is currently actively involved in its development in the Bristol area. However, they acknowledge the Association could not exist without the support and loyalty of its players and in that we have been very fortunate with a number of players playing in the league for over 50 years!

Long may it continue!
